

To Whom It May Concern,

In response to your request for a Material Safety Data Sheet (MSDS) for gloves manufactured or distributed by Innovative Healthcare Corporation, please be advised that these products do not require a MSDS.

Medical gloves are defined as medical devices and are exempt from the Federal Occupational Safety and Health Administration's Hazard Communication Standard (Title 29 Code of Federal Regulations Part 1910.1200).

Non-medical gloves are defined as an article and are also exempt from the Federal Occupational Safety and Health Administration's Hazard Communication Standard (Title 29 Code of Federal Regulations Part 1910.1200).

If you require more information or have additional questions, please contact me.
